A fantastic new album from one of the best German Bands.

“Fire From The Soul“ combines all elements you can expect from a new Epitaph album in 2016: singing twin-guitars and sparkling rock songs with choral singing for several voices. This album is surprising all along the line through the steady quality from first to last song. A lucky bag, “retro” and “modern” at the same time, from the opener “Nightmare” (first single) over the symphonic, almost 9 minutes title track to the soulful “Love Child”.

As guest musicians on this album you can hear Tim Reese (Truckstop) and Pete Sage (Santiano) on violin as well as Klaus Henatsch (Nektar) on piano and keyboards.

At last „Epitaph“ are back in the front row of German bands!
